The Genderbread Person

by www.ItsPronouncedMetrosexual.com

Gender Identity

Woman

Genderqueer

Man

Gender identity is how you, in your head, think about yourself. It's the chemistry that composes you (e.g., hormonal levels) and how you interpret what that means.

Gender Expression

Feminine

Androgynous

Masculine

Gender expression is how you demonstrate your gender (based on traditional gender roles) through the ways you act, dress, behave, and interact.

Biological Sex

Female

Intersex

Male

Biological sex refers to the objectively measurable organs, hormones, and chromosomes. Female = vagina, ovaries, XX chromosomes; male = penis, testes, XY chromosomes; intersex = a combination of the two.

Sexual Orientation

Heterosexual

Bisexual

Homosexual

Sexual orientation is who you are physically, spiritually, and emotionally attracted to, based on their sex/gender in relation to your own.

"It is now possible for the male's erect penis to go inside the female's vagina..."

"As the male and female move back and forth in rhythm, the movement of the penis inside the vagina soon feels very good. The female and male may hug and even kiss and touch each other even more as all of this is going on and feel more and more excited."
